

Local elections on 07 May: A Vote for Migrant Justice

Waltham Forest Migrant Action is the only local charity providing free immigration and welfare advice to people seeking asylum, refugees and migrants in our borough.

We are calling on candidates to pledge their SUPPORT FOR MIGRANT JUSTICE and create a borough of sanctuary, where EVERYONE - regardless of their immigration status - is safe, welcome, supported and treated with respect and dignity.

We are asking candidates to:

- **Commit to remaining a Borough of Sanctuary**
- **End council complicity in immigration raids**
- **Support free access to English classes**
- **Fix temporary housing**
